

Founded in 2002, Siha Leadership offers innovative education through Standard 7. Children at SLS enjoy a custom curriculum adapted specifically for the Tanzanian student, with hands-on learning opportunities, modern facilities and plentiful teacher and student supplies, low teacher-student ratios, international sponsor relationships, and a nurturing environment with Christ at the center.

Every day at SLS is filled with wonder, inspiration, and the joy of learning!

Now accepting applications for day students for 2024.

Modern, updated facilities

An SLS graduate, now studying medicine.

Where children know they are loved, love to learn and learn to serve.

Now Accepting Applications for Day Students for 2024.
